“ So sorry to hear of Fran's death. We both worked together at DOT and for many years she worked for me there. She was always completely reliable and thorough in her work. And, I can't think of any one who didn't like her and appreciate her personality. I know I did. Fran loved and was very involved in her family and her loss must be a very significant one for them. My thoughts are with them.

“ Sorry to hear of Frances passing, I worked with Fran at the DOT in Hartford, we went out to lunch quite often. Spoke very fondly of family and she enjoyed her trips to Ocean Beach. Sorry I did not get the chance to reconnect with her. Thought of her whenever I passed the house on North Main Street. She will be in my prayers.
