“ Dear Fran,
I just read your mom's obituary today. I'm sorry that I missed her memorial service. I remember meeting her at HESCO when she came to go to lunch with you and she was driving her little red sports car. I thought that she was just the coolest mom. a few years ago Sheila & I were having lunch on Cape Elizabeth Maine and I wondered if she still lived there. My deepest condolences to you and your family.

“ To Susan and the entire Sacerdote family: our deepest sympathy on the loss of your mother...we share many memories dating back to our growing up in Hartford, Noah Webster School,

Girl Scouts, only brothers in the family...I remember your mother's beautiful smile and serene countenance even when surrounded by all of her own children and their friends...I remember childhood parties on Girard Avenue and so many other wonderful times together...hope it comforts you to know that others remember her with affection and joy...what a long and interesting life she led and how much wisdom she gained! Praying that you all will pass all that wisdom on to your loved ones so that she will live in your hearts forever. May the Good Lord comfort each of you. Love, Grace Fleet Bates

“ Dear Fran and Family,

I am so sorry to read that your Mom has passed away. What a full life she lead, and what an inspiration to all women in an era when equal opportunity was just a dream. You had told me many of these things through the years, Fran, but it was a good refresher to see all that she accomplished in black and white.

I am sure her passing will leave a hole in your hearts, but knowing that she lead such a remarkable life should bring great comfort. I hope she slipped painlessly.

With all my condolences,
