“ *The remarks at the service from JC, Jack and Frank were not only poignant but so very real and "entertaining", in the truest sense of Frank's celebration of his life. I'm happy to have had a recent memory of him on the GLP porch after a round @Misquamicut with Jimmy..always engaging and life of the party. I'm proud to have known him and look forward to so many more "interesting" times with JC. Be well to all the family!* *Rick Berry, Sr.* ”

“ To all the Craemers,

On this Valentines Day...I am incredibly sad at the news of Frank's death. Mom just told me and explained all. I am soooo sorry for all of You. What a loss...what a tragedy.

As you know he was...one of my favorite people in life! : How I enjoyed every year...every summer...sitting back and having a visit with him, while down at the Point! I honestly looked forward to the day when I would see him sitting on the porch...and I'd dash in, toss my bike, and run up on the front porch to "have a chat". :

Of course that always included a libation or two and then my senses would come to me and I'd remember "by gosh...I have a bunch of little ones running around I have to coral up for dinner!". So off I'd go with a promise...I shall return!!!

Well I hope next year...we can all sit together, on the front porch, and share stories and our funny memories of Mr. Craemer.

We will all miss him very, very much. He's always been a great friend of the Tyler's indeed all of you have and you are all in our prayers.

Love xx

Marie

“ To the Craemer family and especially Kitty and Lisa and Jack Genovese:

Frank Craemer was the salt of the earth. And while it's been some time since I've seen him, his love of life and dedication to his family was always in the forefront. Jack has regaled me with tales of fishing with his father-in-law, with whom he became close especially after the loss of his own dad. His finest legacy is his beautiful family, which mourns his loss.
