“ With our deepest sympathies we extend our condolences to the Burgos family. We were blessed with Freddy's presence for the first two years of our career. As new officers assigned to a walk beat, we often had questions for the more experienced cops...Freddy always answered them. He routinely drove by unannounced in his cruiser to make sure we were "all set," and it was always a welcome sight. He will be sorely missed as a great police officer and friend. He never left us behind when we needed a ride into the station...God Bless you and your family.##imported-begin##Steven Austin and Justin Lord Unit 265##imported-end##

“ My sympathies to the Burgos family. May the peace & goodness of the Lord help contain your souls. I remember Freddy from Bally's Healthclub, just by a common face we never talked. In the year later I saw he was a Hartford Officer and one day he followed me all the way into my parents driveway into the backyard late a night, for not stopping at a red light I didn't realize then but he let me go. God's grace & mercies will see you all through this hard time. I lost my brother two years ago, he was 32.##imported-begin##anonymous##imported-end##

“ Dona Mireya y Familia,  
No alcanzan las palabras para expresarle a ustedes lo que siento durante este tiempo tan dificil. Pero, si puedo decir que tengo muchos recuerdos bonitos de Freddy durante el tiempo que comparti con su familia. Siempre me hacia reir e incluso me recuerdo vivamente el dia que hubo una visita que no se esperaba a la casa y solo decia "Let's get ready to RUMBLE". Me acuerdo tambien haciendo ejercicios con el y Anthony y siempre riendonos. La memoria de Freddy seguira viva en todos y siempre su alma estare en la precensia de todos que lo aman. No importa la distancia, siempre sepan que los llevo en mi corazon y pensamientos y Dios nunca nos abandona aunque asi se sienta. Con mucho amor, carino y enviandole mucha fuerza y union,##imported-begin##Alma y Familia##imported-end##

“ To the family of Freddy Burgos.  
Please accept my condolences to all of you from my family and I. I was very fortunate to have known Freddy and to have worked with him for several years. Freddy was and will always be remembered by me as a friend. I enjoyed the many encounters I spent with Freddy both on and off the job. By Freddy just being there, it made the less enjoyable, tollerable and the good, the subject of many humerous and laughable moments. Freddy will be sorely missed and will always be remembered by those who had the priviladge to have known him.  
Sincerely,  
The Family of Steven Kneeland.##imported-begin##Steven Kneeland##imported-end##

“ We were stunned and aggrieved to hear of Freddy's death. Freddy was our neighbor, our friend, and employee for many years. We loved and cared deeply for him.  
  
We will always remember him as the eager, inquisitive young man, with the beautiful smile, and innocent wiliness that we came to know.  
  
Freddy worked relentlessly to become a police officer. We remember how proud he was the day he graduated from the academy. He later told me he never wanted to do anything else, and he would never work anyplace but Hartford.  
  
Our condolences and prayers go to Freddy's family. The world is a worse place without him.##imported-begin##Andy Tessier, Enid Pierce##imported-end##
