

Gary M. Tracy

February 26, 2019

Gary M. Tracy, 57 of Plainville passed away unexpectedly on 2/26/19. He was the son of Gene A. Tracy and the late Rosalie (Gobar) Tracy. Brother to the late Nancy (Tracy) Folsom. Besides his father, Gary is survived by his former wife Mary (Burns) Tracy and their two daughters Hillary (Tracy) Burkhardt and Lilah Tracy. Gary took great joy in his daughters lives. In October, he was honored to walk his eldest daughter, Hillary, 27; down the aisle to give her away to his son-in-law Nick Burkhardt. He felt inspired by his younger daughter, Lilah, 24. Building a career in Hospitality, she shares his creative mind and he was proud to watch her pursue her passion. Outside of his family, Gary was a successful business owner of Beyond Interiors, where he used his talents in interior design to transform any space he touched. He spent his career building long lasting relationships with his clients who became dear friends over the years. With a larger than life personality his presence will be missed and we invite loved ones, family, friends and clients to celebrate his life on Tuesday, March 5th at the Molloy Funeral Home, 906 Farmington Ave., West Hartford. The family will receive guests beginning at 4 p.m. followed by a memorial service at 5p.m. Online expressions of sympathy may be made at www.molloyfuneralhome.com

“ Kenny and I are so saddened to read about Gary’s untimely passing. He decorated two of my homes. I thought he was so gifted! Everyone commented how beautiful my condo was! That’s why I was sad to sell it when we started staying in Florida longer and longer. He also baked me the biggest and best carrot cake I ever had! We are in Florida and unfortunately will miss the celebration of his life!? We are so so sorry. Myra Weinbaum

“ Dear Mary, Hillary and Lilah,
So heartbroken to read about Gary today. I have known Gary since his very early days in Farmington with Jim in 1983. As you noted, he built friendships with his clients and we are proud to have been among them.

Bill and I look around our beautiful home today and see his handiwork in the finest of details that make our home so extra special. And, somehow, he made the magic of his design work look so effortless. His presence in the world will truly be missed.

*We will keep you in our thoughts and prayers,
Ginger Crawford & Bill Boll*
