“ Thank you so much for your kind sympathies about our mother. We send the same to you, about your mother's passing. She was there for a time, when our mother needed it the most. We remember it all. Our deepest sympathies to your family for your loss. What a time it was back then though, what unusual caring and feeling for friends and neighbors and what a wonderful neighborhood it was and such a big part of all of our lives.

“ Kate, so sorry about your mom. I know how much you struggled to be with her and help her. She has a wonderful and impressive history. I will not be with you for the wake, its for a reason I know you would approve.
