“ Edward and Maryanne,

I just learned of Gerry's death through the Hall High Reunion Committee. I was shocked. We all have so many good memories of growing up on Cobbs Road. It doesn't seem possible that time has gone by so quickly. Gerry was always a good friend to Steve, Jon and me. I'm so sorry for your loss.

“ Gerry was always there for me and my family. He only had nice things to say about anyone. We scuba dived together-we rode motorcycles together. I remember his suzuki 500, his yellow Dutson 240 Z. Cape-cod trips - eating out with the boys Denist Testoni- Bill McGarry- Joe Abdow. - Deer hunting at my parents place in Vermont. I could go on for days. Bill Babbitt

“ Gerry was the dearest friend. I have known him for 20 years now.
He was like a dad to me and treated me as a daughter and my
daughter as his granddaughter. He was a very loving and caring
person who would give you the shirt off his back if it would help. He
will be greatly missed.##imported-begin##Melanie
