“ *Dear Martha,*

*My thoughts and prayers have been with you this past week after reading of your father's passing. I hope you can find comfort in knowing how well you cared for him. If there is any way in which I may be of help to you please let me know. My dad has been gone for over for over 20 years and I still think of him as very present quite often. I believe that there is so much good in each of us that we go on to a new form of life, richer in love in more ways than we can imagine.*

*Take care.*

*Sincerely and fondly,*
