“ Dear Paula Bob and family, Our thoughts and prayers are with you during this saddened time. We didn't know that Gloria was that sick. I went threw a hard time after my mother Sandra past before i got i married, back in November . All we can do to get threw this hard difficult time is to remember all the good times we had with them. Cherish all the memories of joy and happiness they gave us. There will never be a day that goes by and that we don't think of them. They will live on in our hearts and minds forever. Now they are probably together with the rest of the family who passed on before them , planning a family reunion.- just kidding.. There is one thing I know that if Gloria is like my mother Sandra and my grandfather Frank in that they were all tough and had the same personalty and tempers. Sorry that we can't attend the memorial mass on Thurs 3/10 , but once the weather gets better in the spring that is if ever stops snowing, we would like to come to visit or you can come to Wisted to see us. Gloria will be missed because she used to keep us up to date about the rest of the Carfiro's that are still left in HARTFORD. Please accept our dearest condolences, with a saddened heart.

Loving thoughts,

“ i would like to express my condolences in the loss of gloria. i am a nursing student RN and i had the pleasure of taking care of her two weeks ago. my classmate and i washed her hair and she absolutely loved it. she didnt believe us that she had curls. i was very sad to hear of her passing this week while on 7-1 at st francis. even though i only got to spend 8 hours with her, i could tell she was definetly a hoot. she was one of my favorite patients yet.

“ Our most sincere wishes for comfort to Gloria's family during this difficult time. As you know, Gloria was quite the "character" who knew how to enjoy life to the fullest. Whenever she and Paula visited our office, we always got caught up in the latest on everything -- we already miss her so much, but we know that she and Joe are probably up to their old tricks up in heaven! May God bless Gloria and keep her forever close to His heart.##imported-begin##Dr. and Mrs. Philip E. Shapiro##imported-end##
