Our little warrior Graysen Margaret Hill, 8 months, of Brooklyn, NY, passed peacefully in the comforting presence of her parents, Katherine Kellogg Hill and Brock Hill, on April 12, 2014 after a long medical battle. She is finally seizure free and running around with the loved ones who were waiting to welcome her home. Kate and Brock and their families want to thank everyone for their love and support during this journey and ask for your prayers at this very difficult time. Burial services will be in West Hartford on Wednesday, April 16th at 3 pm at Fairview Cemetery. Join the family at 2:30 for a brief gathering at Molloy Funeral Home, 906 Farmington Avenue, West Hartford, CT, 06119. The family ask that no flowers be sent. “ Oh how my heart aches for your family. I mourn your loss. It is so hard to find adequate words to say at a time of such great sorrow and pain. May it help to know God loves you and Graysen and gave his son to die for us all so that we could have the prospect of everlasting life. (John 3:16) May it bring you comfort to know that God also promises a time when sickness and death will be no more, for we read, "And he (God) will wipe out every tear from their eyes and Death Will Be No More, neither will mourning, nor outcry, nor pain be anymore..." May these promises from God bring you comfort and give you peace. With Deepest Sympathy, Regina Jones
