“ As some of you know, Hattie's daughter DeeDee was my dear friend from high school until her untimely death. She remains in my heart forever as I loved her like a sister. You may remember some of the "Chip & Jo" stories from that era. I was her maid-of-honor & she was my matron-of-honor as we married in May & Sept of 1969 respectively.

We want you all to know that our heartfelt sympathy goes out to the entire family at this time. Tons of memories were stirred up this morning when we read about Hattie's passing! Visits to Hattie's apartment in W. Htfd. center & to her home on Cape Cod were always interesting & fun to say the least! May your own memories of her sustain you through this difficult time. Our thoughts & prayers are with you....Chip & Jo Tullock##imported-begin##Chip & Jo Tullock##imported-end##
