

## Harry E. Sloan III

October 1, 2025

Harry Emerson Sloan III, of Bennington, New Hampshire, passed away peacefully after a brief illness on October 1, 2025. Harry was born in Hartford, CT on June 8, 1955 to the late Jean Spencer Walters and Harry E. Sloan Jr. He grew up in West Hartford, CT. He attended the Dublin School in Dublin, NH and made New Hampshire his home from then on. At school he became interested in theater production and gained recognition for his lighting work both at school and later in his local community. Harry loved the outdoors and was an avid skier and hiker. He worked as an instructor at Temple Mountain, before beginning his 26 year career at Greenfield State Park as a night watchman, eventually becoming Park Manager. His kind heart and attention to details were his trademark and campers and staff alike grew to be life long friends. In his retirement Harry enjoyed working with his friends at Belletetes Hardware where he continued to help customers on a daily basis. Harry is survived by his brother, Spencer Sloan of Bloomfield, Connecticut, and his sister, Nancy Sloan of Walpole, New Hampshire. Donations may be made in his memory to the New Hampshire State Parks at <https://www.nhstateparks.org/about-nh-parks/donate> or a conservation organization of your choice
