“ Pat,

I am so sorry to hear of the death of your husband. He did so many good things in his life to help so many people. He was a great man and a wonderful father as well as a great doctor.

I don't know if you remember me from years ago when Rose Mueller, who worked for your father, retired and came to live at my parent's house on West Raymond Street in Hartford. She was very nice person and my brother, Harry, and I really loved her.

I remember meeting you many years ago at a AAU Swim Meet at Hall High School, when my oldest son or daughter was also swimming. As I remember you had a son, maybe Mark, swimming that day and we talked briefly.

I was happy to hear that you have such a nice, large family. Ed and I have six children, and six grandchildren so far. However, other than the oldest son, they are scattered - California, Georgia, Michigan, New Jersey, and North Carolina. So, we do not see the grandkids very much.

Try to stay healthy and happy - enjoy each day that God gives us and I will pray for you and your family!

I liked you so much and will always remember you.

God Bless You and Yours!!

Sincerely,

Phyllis##imported-begin##Phyllis Sheehan Lemieux##imported-end##
