“ Dear Barb and Dan,

We were out of the country when we heard the awful news of Hayley's passing. Our hearts are so broken. Hayley was a beautiful person inside and out. We remember sitting sideline together many soccer and basketball games and marveling at her talent and energy. She was so warm and loving, funny and kind!! May she be at peace and may you find some comfort in knowing she made this world a better place and she will never be forgotten.

*With much love,
Karen and Gordon Binkhorst*

“ Haley was a student in one of my studio art classes. I remember her well. She was a joy to work with. Always energetic, even when she came in after a tough practice. I remember talking with her about art and sports. She was part of a group of young women athletes who were a pleasure to have in that class. A hard worker and a positive presence. My deepest condolences to her mother, father and brother, and the rest of her family as well. The world has lost a bright light.

“ Our heartfelt condolences, below is one of our favorite quotes about life after death.

“To consider that after the death of the body the spirit perishes, is like imagining that a bird in a cage will be destroyed if the cage is broken, though the bird has nothing to fear from the destruction of the cage. Our body is like the cage, and the spirit is like the bird...if the cage becomes broken, the bird will continue and exist. Its feelings will be even more powerful, its perceptions greater, and its happiness increased...”

“ Hayley was one of my first friends that I made growing up in West Hartford. I remember going through kindergarten and 1st grade together. I remember her living on the opposite end of my street and seeing her all the time. She was such a great person to be around, even when we were just little kids. I hadn't kept much in touch with Hayley since moving and I regret that now. This loss hurts a lot and my condolences go out to the entire Mullins family and everyone else that was lucky to have in their lives.

“ Please accept our profound sympathy. We learned of Hayley's death this weekend while at the AU game. Our daughter Kira was a friend and teammate who absolutely adored Hayley and spoke of her often. We were lucky to get to know Hayley while our daughter was her teammate. Hayley always had a smile and warm hug for me when I saw her at AU. She was a beautiful glowing young woman. Our hearts break for your loss. Our thoughts and prayers are with you all. ❤️

My daughter Marley had the pleasure of being Hayley's teammate and roommate at American. I know my daughters college experience was better because of Hayley. Hayley just knew when someone needed a laugh and a giggle (which was often needed as a div 1 athlete). I am thankful Marley and Hayley had a chance to backpack in Europe together. Its memories like that which Marley will cherish forever. Rest your sweet soul Hayley. Peace and prayers to all her family and many friends. The Jennings Family
