“ Thank you for sharing the gift of Helen with us for the past 3 years. What joy she brought to us all! With vibrancy, laughter, faith, and spunk, she taught us valuable lessons on how to live a full life. From the time she was literally dancing and singing through the hallways when she turned 95, to participating in food fights during cooking group, to the time I had to talk her out of trying the bungee bounce at the Peach Festival...I have fabulous memories as keepsakes. I will miss her humming through the halls...I was honored to have had the privilege...she will be so dearly missed.
