“ George and Barbara,
My thoughts and prayers are with you and your family at this time of your mother's death. Although I am currently serving in Rome, Italy, I try to read the Courant when I can and this morning I saw your mother's obituary. She was such a lovely woman. Reading the obituary brought back so many memories of Stamford and growing up there. I hope that you and the rest of your family are well. Please also offer my sympathy to your aunts Carol and Patty.
