“ I want to express my sympathy to you on the passing of Henry. I met Henry six years when I moved to CT. He was working with my daughter and family at the time and agreed to help me as well. I wanted to tell you how kind and helpful Henry was in my situation. Last time we spoke he was going to meet up with my grandson's and give them some lacrosse tips. I will miss him and I hope you find some consolation in knowing how beloved he was.

“ Henry was my financial advisor for over 10 years. What an amazing person and advisor. Not only was he my financial advisor, but he became a friend that really helped me with a lot, especially my taxes. Even when I thought I was bothering him, he was always helpful and never seemed annoyed. I am very saddened by the news and I want to send my condolences to the family. Henry, thank you for everything you've done for me personally and financially. Thank you for being a great human being. Rest in peace my friend!

“ My name is Tina Harris, Henry dated my daughter Sarah Harris for many years. In that time I grow to love Henry and when my daughter was murdered in 2022 Henry reached out and since then we have been leaning on one another. When I didn't hear from Henry I began to worry something was wrong. Then I saw he has passed away. My heart is broken over this. Henry has been wonderful to me over the past 3 years. Mr and Mrs. Peterson, I'm so deeply saddened by the loss of Henry. I have been trying to reach out to u both but can't find a phone to call. I did ask Molly's to pass a message unto you asking if u would please call me. Henry came out to Maryland last year to visit my daughter's grave and there he played a beautiful song on his violin to my daughter. If someone reads this please let Henry's parents know I so need to talk w them. Henry held a very special place in my life and heart. My daughter and Henry never stopped loving each other and the day before my daughter passed she was talking about Henry. I will miss him so very much. I know the pain of losing a child to well since I have lost two.

“ I remember Henry as a vibrant, enthusiastic, friendly and sincere person. I was his 10th grade Biology teacher years and years ago, but I still remember him fondly as a true joy to have in class. He was a sincere person who was kind to both his friends and his teachers. He made me smile! My prayers and healing thoughts are with his family. -Carolyn Goerner

“ Catherine and I have deep sorrow at the news of Henry's passing. We shared summer vacations with Henry and his family first in the Hamptons and then on Martha's Vineyard for over ten years. Henry was always engaging, genuine, bright, and friendly; and loved to take the smaller kids on adventures, fishing or biking or beaching with us. He loved to engage in conversation and to learn new things. As a young man, you never had the sense that he did not want adults around. He brought energy and life to a room or a beach gathering. And that is how we will remember him. We are praying for all of the family and send our support and love to his parents and siblings and relatives. Scott and Catherine Bloch

Henry was a great guy and even helped me get SSDI when I lost my job due to being injured at work. He told them that he was my financial planner, which he was, and that we needed to know if I was approved or not. The next day I was contacted that I was approved. He certainly went above and beyond and will be deeply missed by my husband and I. Sharon and Randy Seeber.
