“ Dear Lin, We just heard of the passing of Kelly from Joel Silvestro - We remember her at the Park Road Playhouse and at the shiva at your house for Howard. A wonderful person and will be missed. She was kind and considerate and made some great contributions to all. Love, Dave and Jerilyn Nagel

“ Today, while working at Summer School, the school Nurse recognized me and asked if I knew about Ilene, your being our 'host family' during the redistricting. . Sadly, I did not know about anything since I seem to have lost touch with all of you.

Please know my thoughts and prayers are with you all and I have so very many good and happy memories. I am still in shock and would love to get in touch with Chris and Lynne.

Love always,

“ I was so sad to hear of Ilene's passing. She was a wonderful room parent when her daughter Katie was in my classroom. Her children were curious, brilliant, talented and capable of anything. Much of that was due to the superb support she provided them. She was a great Mom. I wish to send Katie, Kelly, Kim, and Chris much love during this difficult time. My prayers are with you.

“ Unfortunately I didn't get know Ilene. We only met a few times but after working with Chris these past years, I have learned a lot about his family. I have learned that he is a kind, caring and devoted husband, father and grandfather. He would do anything for his family as they would for him. This kind of family doesn't just happen, it can only be born from beautiful people. Stay strong together. My deepest sympathies.
