“ Jackie was the ED of the AAPDPP for almost all of the 20 years or so that I have been in the Academy. I was much less than perfect on many occasions as Editor of the Academy Forum and as President of the Academy, but Jackie, the consummate professional, consistently overlooked and accepted my foibles and consistently supported all my efforts. I remember one visit to Jackie’s home when we both put aside our professional personas and enjoyed one another’s company in a warm and friendly manner. I loved the person that Jackie was and I will miss her always. Jerry Perman

“ So deeply sorry to learn of your loss! Jackie always helped "orient" me at AAPL meetings, whether it was to clarify use of new technology or to help with needed protocol for various requirements. She invariably provided much-valued information and guidance with a smile and a calm demeanor. May she rest in peace. Kind regards to her survivors.

“ *I met Jackie in October 1990 at her first AAPL meeting. It was my first meeting as well. Jackie became a role model, mentor and friend to me and legions of AAPL members. She was particularly important to women in the organization, who benefited from her wisdom and interest in our careers and personal lives. My heartfelt condolences to her family. Emily Keram*

“ I worked with Jackie for almost 25 years as her meeting planner for the American Academy of Psychiatry and the Law and she had the love and respect of all the members. We had a great relationship and we were always on the same page to make the meeting great each year. Jackie was one of my favorite people I ever knew.

Ms. Jackie was truly a wonderful person. My son and I will miss seeing Ms. Jackie and Grace in the mornings. Those small conversations and fun moments of giving Grace a few pets always brighten our mornings.

My heartfelt condolences to the family. She will always be remembered fondly.

We are so sorry to hear about Jackie's death. I spoke with her in the Fall and we had an awesome phone conversation. She still cared about Bloomfield even when so ill. As her and Chuck's travel advisors for many years, and when Chuck and I were both in graphics and on the Board of the Greater Hartford Ad Club, in the 80's and 90s, Dennis and I enjoyed them both so much. She was a great lady and will be sorely missed. Donna & Dennis Hubbs, Bloomfield CT

I got to know Jackie and her husband, Chuck, through my father in-law, Simon Epstein. We all shared some very fun summer afternoons together. So sad to hear of this.
