“ *My father in law Albert Buseck, 98 worked with your father at Oxford Corporation and has always spoke very fondly of his time spent working there with Jim Mott, George Reed and Dexter Rosen. He often speaks of a boat developed for Sears, a scope with a red dot, and many more projects.*

“ I remember you as a happy young man, sailing with Mom and I across Lake Ontario, and when you and George Reed founded and ran the Oxford Corp. The parties when John and Rosie and Alice and their children came to visit. Also the grief you couldn't seem to shake after your brother John was killed at Quang Tri.

And so much else...

Love,

Jim###imported-begin##James Mott, Jr.##imported-end##

“ *My fondest memories of Jim and Lib are all the dinners we spent together. Every weekend we managed a night of conversation, cocktails and food. They were always on time, fun to be with, and they loved my cooking. He let me try out new recipes and ate some with great gusto even though it did not look anything like the picture! I did not have the good fortune of memorizing Jim's series of shaggy dog stories like the rest of the family did. The moans would come because everyone knew the punch line from the first word yet Jim would press on! The hours we spent talking and laughing will always be special to me. He was a wonderful father in law and a good friend. For that I will be forever grateful to have known him and the rest of the family.##imported-begin##Jacque wife of #7##imported-end##*

“ *Many fond memories our times with Jim- the long drives I took with him from Hartford to Canada, the fun times at the beach house, and Jim's tales from the golf course. He will be sadly missed by all. You are all in our thoughts and prayers. Claudia and Jim##imported-begin##Claudia and Jim Kadra##imported-end##*
