“ Dear Lynn and family, So so sorry to hear of Jim's passing. It is so hard to imagine his not being there, but he will always be there in spirit, fishing rod in hand. How happy he made Mum with his delicious fresh caught trout. I am sure she has given him a warm welcome in that better place. My deepest sympathies to all of you at this very sad time. My love, thoughts and prayers are with you.

*Jim, I will always remember our talks, when you visited our frame store, in Bloomfield. Your love for your wife Lynn, I will always remember, how you thought the world of her, and your children. The years have passed by since I have seen you and I never have forgotten you. Both you and your wife Lynn were special customers and true friends to me and tom. Life will go on now for all of us, but the memory of you will never go away, nor should it. Rest now my friend, to a job in life well done.
In Friendship always. Jack and Tom.*
