“ Dear Shelagh,

Please accept my condolences on the passing of your brother, J.C.
As someone who has lost a sister at nearly the same age as J.C., I
have some understanding of the tremendous loss that you and your
entire family must be experiencing. My thoughts and prayers are
with you during this difficult time.

Undoubtedly, your brother led a meaningful life and was blessed to
have had the love and support of his family, including his mom Mrs.
Patricia McClure and his wife Kathy. Surely his legacy will live on in
his children Matthew and Lauren and so many other people who
were fortunate to know him. May you find comfort in fond memories
that are yours to cherish, and in the knowledge that J.C. has
ascended to the glorious home of the Lord.

Sincerely,

“ *To the McClure Family:
I wish to extend my sincere sympathy in the loss of your beloved son and brother. I baby-sat for J. C. and John, Ellen and Shelagh when your family lived in the Stevens apartments in West Hartford and then when your family moved to Wethersfield. J. C. was a darling and beautiful child. I have lovely memories of many wonderful times spent with the McClure and Owens children Greer and Reese while your parents played golf or went to dinner. My family received many Christmas cards keeping us up to date on their growing family. I cherish these memories always and wish you much comfort at this very sad time. “ I knew JC almost my entire life. We had a championship kickball team in 2nd grade. The last time I saw JC was a couple of years ago @ Carmichaels restaurant. It was as though time stood still. He looked great and was as young of heart as always. JC was person who always had a good word about others and was loved by all of his classmates and good friends. I will miss him much, but I am fortunate that I have so many life memories with him. He had more names for me than most, Bagel,beam,richie,Bagel brains,great pumpkin,Eddy, Ed. "JC, that was the longest ride home of my life, with your dad after the Newtown incident. Glad I was with you my friend, I will miss you, Love you buddy. Eddy To your family I wish them Godspeed. “ I first met JC on the football field. We played on the same team as kids in the town league. What struck me was his spirit. He was a hellion on the field and that fiery play continued throughout his high school career. When I see his picture here a flood of fond memories about Jace instantly pop into my mind. In this time of sorrow remember JC?s spirit will live on. My heart felt condolences to his family and especially to all the McClures. JC, we all will miss you buddy.##imported-begin##Rohan Bradley##imported-end##
