“ *My heart breaks for your family at the death of a such very nice loving woman. I remember how the basement of the Stratford St home always has something being painted there. I had many great memories of being at your house during the summers. I will miss your Mom but not as much as you all will. Love to all, Susan and Peter Marshall*

While it's been many years, I so fondly remember enjoying 'our days' at Oak Hill. She always spoke so lovingly of all her children & Grandchildren. And such a talented woman whom when I reflect will always smile. Heartfelt sympathy to all as you struggle at such a difficult time. Joanne (Turner) Haschak
