“ *We were so fortunate enough to live a few houses from Pete and Jeanne in their Satellite Beach home. Loved seeing them everyday on their twice daily walks. After Pete passed we became even more closer to Jeanne and was sad to see her move back to the NE. Yet we were happy she was going to be close to her family. Her family and pooches meant the world to her. We are sorry to hear of her passing and our loss . On the other hand, she so missed Pete and is with him now in ever eternity. Our love to her family.*

“ Our Guite family came to know Jeanne over the years as we celebrated family birthdays, holidays and special events with her. She had an amazing life raising three wonderful boys who became very successful young men---the youngest of which became our son-in-law and an exceptional father to our grandson, Owen. Over the past few years Jeanne relocated and resided in Connecticut. She was an avid gardener, baker, do-it-yourself home project engineer and wonderful grandmother to Owen. Jeanne loved her dogs---especially those two little pooches she adopted that made her retirement life an on-going adventure. We will miss the travel stories, her generosity and her spirited soul especially at holiday time. Jeanne will always be fondly remembered by all of us Guite's and our extended family. As our son, Jay, would say--she may be gone but never forgotten.  
Love ya' Jeanne. Thanks for the memories. Fondly, The Guite Family
