Ed, Jane, and Evan, I am so sorry to hear of the passing of Jeff. While I did not know him personally (except for the time I met him as a little boy at the Central Park Zoo!), I'm sure both he and Evan are the lights in your life. Our deepest condolences to you all.

“ Even though we only crossed paths when we attended Birthright together more than 10 years ago, I am grateful that I knew Jeff. His wisdom, insight, and zest for life shine through in his writing and the way he lived his life. I am so sorry that such a bright light was extinguished far too soon.
