“ *Stars shining bright above you  
Night breezes seem to whisper I love you  
Birds singing in the sycamore tree  
Dream a little dream of me*

*Say nighty-night and kiss me  
Just hold me tight and tell me you'll miss me  
While I'm alone and blue as can be  
Dream a little dream of me*

*Stars fading but I linger on, dear  
Still craving your kiss  
I'm longing to linger til dawn, dear  
Just saying this*

*Sweet dreams til sunbeams find you  
Sweet dreams that leave all worries behind you  
But in your dreams whatever they be  
Dream a little dream of me*

*Stars fading but I linger on, dear  
Still craving your kiss  
I'm longing to linger til dawn, dear  
Just saying this*

*Sweet dreams til sunbeams find you  
Sweet dreams that leave all worries far behind you  
But in your dreams whatever they be  
Dream a little dream of me###imported-begin###eileen
