“ So sorry to hear of Joel's loss. He was an amazing person with lots of spirit and warmth. I always will remember going to dog shows and spending time with his family.
He is the reason I love dogs so much and he gave us our first Great Dane, Kelsey whom we loved so much.

May he rest in peace.

Our thoughts and prayers go out to Joel's Family and Lorrie. He will be so missed. So many stories come to mind when thinking about Joel. Hours of dog show related conversations on the phone at 6 AM, Joel preparing meals in his motorhome, a shared hug at the National when he won his last Top 20. All very special, like Joel!!

What a wonderful influence/mentor Joel was. We started showing our danes 13 years ago and I'll always be grateful for all the support, tips and advise that he was always so willing to share. He was always ready to share a joke or a story. I always respected the way he handled the dogs in the ring- always slowly and gently - the Great Dane world has lost one of the finest. We send our sincere sympathy to his beloved family.
