“ My sincere condolences to John's family at this very sad time. I worked with John at State Bank and People's and have so many fond memories of those years. His door was always open and welcoming. He was a kind, good man and he was always remembered, long after he retired. May God's heavenly graces be bestowed upon him.

“ *My family lived next door to John on Treeborough Drive for fifteen years and he was one of the nicest people I ever knew. He was always kind to our three young children who sometimes annexed his backyard for various play games. I'll always have very fond memories of John.*
