May 11, 1931 - February 4, 2010

John Kelley Springer, 78, beloved husband of Jane Parsons Springer, died February 4, 2010, at Hartford Hospital from infectious complications of a brain tumor. family gatherings and a reconnection to Dartmouth College. In retirement he served as President of his class at Dartmouth, and was member of the Alumni Council. His interests in Health Care lead him to serve on numerous boards including the Board of Directors at New London Hospital, the Rockefeller Center Board of Visitors, the American Hospital Association as PAC Chairman, as well as President of the New England Hospital Assembly, and the Travelers Insurance Board for 25 years. Included among his many awards were The Award of Honor from the American Hospital Association, and the Jewish National Fund Tree of Life Award. “ Jane,

Gary and i want to send you hugs and our thoughts and prayers as you go through ths part of lifes journey.

John was an inspiration and mentor to me when I joined the Hartford Hospital team in 1992. You were both so warm and wonderful as you helped me integrate into the Hartford Hospital culture and do so with my long distance marriage. Both of you made Gary feel so welcome when he was able to come to Ct. and we will never forget that hospitality.

John helped me learn all the Ct. healthcare executives and the AHA leaders. He gave a great deal to our profession and mentored many new, young healthcare executives. He helped many patients in his career and he knew why HH existed. I am sure HH helped him and you during this time of illness.

Hugs and love

“ What a wonderful man Mr. Springer was, and what fond memories he has left us all with! I worked with him at MedSpan and he truly was an amazing man - intelligent and highly respected, of course... always had a sense of humor, always encouraging and motivational, and always made everyone feel that they made a difference in the world. He certainly did! I was so saddened when I heard the news. My sympathy goes out to his family and all those who were lucky enough to know him.##imported-begin##Rose Angelone##imported-end##

“ *Mr. Springer was very kind and caring. He always parked in the regular employee garage and would walk out with you and say good morning ask how things were going in your department. I have always admired him, because he spoke to everyone, he made you feel as if you were the most important person in the world and valued your opinion, no matter if you were the janitor or the head neuro surgery. Mr. Springer probably spoke to every employee at the hospital. Everyone knew him and spoke very highly of him. I wish I had written this letter to him before he passed!*###imported-begin###M.BROWN###imported-end##

“ *Mr. Springer, a great man. He followed in the footsteps of another great man, Dr. Hamilton, and continued to keep the culture and family of HH strong.*
As a young Head Nurse, working Christmas day, Mr. Springer and his lovely daughters plaid skirts appeared. I am sure they walked up the five flights of stairs.
He made a difference in so many ways.
I am deeply sorry for your loss.##imported-begin##Andrea Nardi##imported-end##

“ *Dear Springer Family,
I used to work with Mr. Springer back in 1973, as Assistant Director of Nursing. What a great man. Several years later he told me of an opening as
Director of Nnursing with his friend Ed. Kenny at Manchester Hospital where I became director for many years.
This was the kind of person he was, always looking out for his staff and the patients.
He will truly be missed by all.
Please know my thoughts and prayers are with you.##imported-begin##Sandra Muller,R.N.##imported-end##*

“ *I've never had the pleasure of meeting other members of the Springer family but wanted to express my deepest sympathy on the passing of, in my opinion, a truly great man, and a remarkable example of inspiring leadership tempered by great humility.*

My father, John H. Stewart, worked for Hartford hospital for 44 years, during the last six of which he was privileged to serve with John Springer. He held him in the absolute highest regard, and upon his retirement my Dad and our family was shown great respect, and in the years that followed, given tremendous support by Mr. Springer.

At this time of sadness, there are many souls in heaven, including my Mom and Dad, who will celebrate John Springer's arrival.##imported-begin##Arthur H Stewart##imported-end##

“ As a member of John's regular golf group at Lake Sunapee Country Club, I will miss his company and his competitive spirit on the golf course. I never heard anyone else call him "Spring", but that was how he addressed himself, as in "Oh c'mon, Spring" when he scolded himself for missing a short putt. I can hear it now.

My heart goes out to Jane and John's entire family. You are all in our prayers.##imported-begin##Dick Little##imported-end##

“ *Dear Springer Family,
I have been associated with Hartford Hospital for over forty-five years, starting as a volunteer, attending Hartford Hospital School of Nursing, and remain there as an RN of 38 years. I fondly remember Mr Springer, always visible, talking with staff and lending a helping hand during difficult days. I always teased him about his middle name and how he should "spell it the right way" ! I still have a picture of him in my mind, with his signature bow tie, appearing at the door of my hospital room the day after I had surgery many years ago. You just don't forget a person like him. I have missed him greatly since he left, and will always remember his contributions to Hartford Hospital and his personal relationship with the staff during his years as administrator. Please know that my thoughts and prayers are with you at this time. Nancy Kelly, RN, Case Coordinator at Hartford Hospital.##imported-begin##Nancy Kelly##imported-end##*
