“ To the Mangini Family - I was so saddened to hear of Mr. Mangini's passing. He has been a kind and fun presence in our neighborhood for as long as I can remember. It was always great to catch up with him when I was home and to hear all the Mangini family news. He was so genuine and friendly - a real gentleman and a great example of what it is to be a family man. I am sorry I am not there to attend the wake or funeral. You are all in my prayers. ~Liz##imported-begin##Elizabeth McGloin Browne##imported-end##

“ I met John when I worked for the State of Connecticut during my summers while attending college. He was such a wonderful person, forever talking about his family and how proud he was of all of his children. During the following years I would run into John a couple of times of year in town. He always had a funny story to tell and would ask about my family. He was a genuinely caring person and I am grateful that I met him. Please accept my sympathies on the loss of a truly wonderful human being.##imported-begin##Robin Wilson##imported-end##

“ I'd like to extend my deepest sympathy to the entire Mangini family. I worked with John for over 20 years at the State of Ct. until his retirement. We enjoyed success at all our work projects and had plenty of chuckles along the way. I can also say John did a great job fixing my watches when ever they needed repair !##imported-begin##Hal Clark##imported-end##
