“ I am so very sad to find out that my friend Joe has died. Every year for Christmas I would get a calendar and diary along with a lovely letter.

Me and my girls met Joe and Gary 15 years ago in Crete and had remained in touch ever since.. Mandy

“ Dear family of Joe,
Thank you for allowing us to be part of his care at Windsor Health and Rehabilitation Center. We miss him already. It was a privilege to have known Joe and be part of his caregiving. Joe was charming and even with his own illness, he always made other patients around him feel good. Our thoughts and prayers are with you at this time. May his great memories be the source of comfort for all of you now and years to come.
