“ I only worked with Joyce for a couple of years, and she was a lovely lady who always had time to say hello to me and ask how I was. On my first day on the job, Joyce made me feel so welcome. She had a big smile on her face and just made me feel at ease. She was a loving, gentle soul who always cared about everyone. I will miss her smile and the wonderful talks that we had and I am so grateful to have had the honor and privilege of knowing and working with Joyce. She will be missed.##imported-begin##Jeanne Grillo##imported-end##

“ Joyce is, of course, known as a kind and gentle soul to all of us- but I also remember her as very tenacious, adventuresome, and with a great sense of humor! Joyce also played the harp at my wedding, so she will always be remembered as a part of the best day of my life!##imported-begin##Megan Dahl-Hartenstein##imported-end##

“ I will always remember Joyce for her kindness, her love of music and the joy that she brought to all she came in contact with. I mostly will remember how she enjoyed going to the flower shows with her friend Shirley. How they both enjoyed that!##imported-begin##Linda Hill##imported-end##

“ Dear Darlene,

My thoughts and prayers go out to you and other members of your family on the death of your mother Joyce. She was an important part of my chaplaincy program at Gaylord Hospital several years ago, and we have had other professional contacts since. At her request, she had been on my prayer list for the last many months. She brought music and hope to the many people who were touched by her ministry.

“ I worked with Joyce for 9 years at Masonic Home Health and Hospice. Joyce touched so many peoples lives with her gifts of prayer and music. She brought healing to so many at a difficult time of loss and grief. Joyce was admired and respected by her colleagues as well. It was a pleasure and an honor to work so closely with her and to witness her gifts in action. She is sorely missed and will never be forgotten. May her family find peace in knowing that she is at peace now. I am sure she was greeted with " Well done my good and faithful servant." Peace be with her family especially Rose whom she loved so dearly. Jacqueline Whitehead Hospice Social Worker###imported-begin##Jacqueline Whitehead###imported-end##
