

Judith A. Kennedy

January 2, 2025

Judith A. (Young) Kennedy 78, of West Hartford, wife of the late John (Jack) Kennedy, passed away suddenly on Thursday, January 2, 2025. She was born in Springfield, MA on October 11, 1946, the daughter of the late Alma (Gibbons) Young.

She is survived by her son, Sean Kennedy of Southington CT, his wife Christine, and their 2 children, Evelyn and Jack, her daughter Meghan Kennedy of Farmington CT and her two loving puppies, Fiona, and Harley, and Judy's cat, Lucy. She leaves her brother Doug Young and his wife Linda of Washington State. She was predeceased by her niece Cara Young. Other loving family members include Michelle St. Hilaire her husband Bill, their 2 children, Sarah Halligan and Rose St. Hilaire, Brian Grenier, Sara Grenier, and Nick Grenier. Judy is predeceased by her brother-in-law, Thomas Kennedy and sister-in-law, Ann Conroy. Judy's family would like to extend a special thank you to Lynn Kovolski for her care and support.

Judy started working for the town of West Hartford in 1970 as a police and fire dispatcher where she met her loving husband Jack and her best friend Jean Evans. Judy then took time off to start her family and when she returned to work, she went back to the town of West Hartford as a Paraprofessional, first starting at Webster Hill elementary school and retiring from Sedgwick Middle

School after 22 years. Judy also had many other friends whom she stayed close to for many years.

For all who knew Judy, they knew they would always be welcome in her home.

If you stopped by her home at 32 Bentwood Rd, you were always offered a cup of tea or a cold drink. You knew when you stopped by that you'd best have some time to sit for great conversations, some laughs, and a lot of chaos from the children and their friends.

Judy leaving this world far too early has left many with very heavy hearts but we know that she and Jack will be waiting in heaven to invite us into their home once again.

“ I have just found this about wonderful Judy in my email this morning and if I had seen this on Sunday, I definitely would have been there to pay my respects. I love Judy with all my heart and she was one of my dearest friends when I taught at Webster Hill school many years ago we stayed in touch for a little bit, but then lost contact, but never, the bond we shared she was one of the most wonderful, giving selfless unusual people I have ever known my sympathy to all of you who lost her but I am sure because I knew Jack as well but they are together with heartfelt love and sympathy, Barbara Van Dine, Webster Hill school teacher
