“ I was so sad to learn of Judy's death. She always was "life" personified to me and she lit up a room w/ that wonderful smile of hers! I first met Judy when we were 18 yrs old and we were in the LaSalette Ball together. Oh, the laughs we shared as we enjoyed being princesses for the evening!!! Great memories! Our paths crossed again unexpectedly when my son, Jonathan, and Neil met during school years. Little did I know that Neil's Mom was JUDY! She was so very proud of her children and SO happy to be their Mom. Remember her radiant smile and her goodness and love of life and others...she taught us all so much... God Bless You, her precious family...Judy was one in a million, how lucky you are to have had such a great lady as your Mother###imported-begin###Barbara Johnson Clemens###imported-end###

“ Deepest Sympathy to the kids of both Judy and Bruce. They were both special people. I worked with Judy for eleven years. She was always a pleasure to work with and always had a smile. The courage she had was a light for all of us to follow. I know in the days to come it is going to be hard. The loss of two great people and the happy memories will keep the living going on with life. I lost my Dad the first week in October and all that I can say is it hurts alot but keep your chin up and be the best that you can be.

I will miss you both,
Laurie and Don Betzner

“ To Kirsten, Neil, Reed and "the dog"

Our girl is gone...she has left us breathless. We are in shock, the sadness prevails and her presence lingers about us. Our girl is gone ... the sound of her voice was home to all of us....like warm tea on a rainy day. She smoothed out the wrinkles and made things "all right " out of things that had gone all wrong. Our girl is gone... she has left us breathless.

We loved her so.

My love to her beautiful children. She cherished each of you and to all her relatives who have lost this lovely being.

“ Dear Bermingham Family,
I would like to offer you my deepest condolences. I worked with Judy for 10 years. She always brightened my day somehow when I needed it. I always enjoyed getting her hugs, and hearing her voice on the other end of the phone. The Waterbury staff will miss her always. She holds a special place in our hearts and will be remembered by us forever. She will remain in our thoughts and prayers forever!##imported-begin##Dean Carosella ##imported-end##

“ Mark, Margo and Gigi:

In knowing Judy "way back when," she was a lot of fun and a kind and caring person. Prospect Avenue seems so long ago! It didn't seem possible that her husband, Bruce, and brothers John, Jim and Bill are gone also. My deepest sympathies to you and her children and all your other relatives. I hope Judy is finally at peace and rest and with all her loved ones who preceded her. The rest of the Dwyer clan and the Takata Janeclan send their love and regards.##imported-begin##Ellen Dwyer Paterson##imported-end##

“ I am so sad that I will no longer see you at the Arch Tavern and joke with you and get my complimentary kiss and hug and have Niel give me THAT LOOK. I am sad that you did not get some more time to spend with all your friends and family, some quality time. I miss you ,we all will miss you. I guess God needed someone to laugh and joke with and to enjoy your company.##imported-begin##John Chilicki##imported-end##

“ Dear Judy,

I can not believe that you are gone. You were truly a special lady and always there to make someone feel better by just hearing the sound of your voice. I will always enjoy our laughs together and the hugs that I got whenever I came up to visit Hartford. To say that you will be missed is an understatement. I will always have a place in my heart and memories for - " the lady behind the glass ".

Sincerely,
