“ I will always cherish the long talks, laughs, and special times that I spent with my Aunt for the rest of my life. It meant the world to me that she was able to make it to my wedding this summer and be able to share in the happiness that she knew I had waited so long to find. She always encouraged me to follow my dreams, to follow my heart, and was there for me during both sadness and happiness. I will never forget her coming home to help me care for my daughter during the holidays when she was born. Her unselfishness, and her ability to put the happiness and needs of others well before her own will stay in my heart forever. I take great comfort in knowing that she is now with Grammy, and my Mom, and Mi-Ling in a wonderful, beautiful place where there is no pain, unhappiness, or sadness. I will greatly miss my very special friend.###imported-begin###Kathleen###imported-end##
