“ Dr. Halligan,

I'll always have such fond memories of the Christmas lunches at your house with you and Julie when you chauffeured the Vascular Associates girls for a party. We always loved going and seeing the Christmas decorations that Julie had put up. She was a wonderful person. My thoughts are with you at this difficult time.

“ Dr Halligan and Family,

My thoughts and prayers are with you at this time. Julie was one of the nicest ladies I have ever met. I still have the Husky dog Beanie Baby she gave me at the wonderful Christmas party she had for us when I worked for Vascular Associates. I thought of you when the Huskies beat the Irish in football, a miracle!. May God be with you at this time. Joan McCord##imported-begin##Joan McCord##imported-end##

“ Dear Dr. Halligan:

I was sorry to learn about Julie's passing. My mom Betty Johnson told me this morning. I have very fond memories of her either at Fatima during parents weekend or during a junior league lacrosse game. She was always a friendly face in the crowd for us Johnson kids.
