“ *It was with deep sympathy that we recieved news of the passing of your mother. I have very fond memories of Aunt Katherine's many kind acts for me and our family. Although we have not seen her in many years she always kept up with what was going in our lives. She frequently sent lovely remberances. Her sharp mind and keen wit remained throughout her life, a quality she shared with her siblings. May God grant her a well deserved eternal rest. Our heartfelt condolences to your families.##imported-begin##Anne Marie Gillis Mc Daniel##imported-end##*

Aunt Kay always reminded me of Daddy Owen Dan, a sharp mind, which I feel was such a blessing, and of course their great wit and sense of humour.
