

## Kelley Ann DiPippo

June 8, 1971 - January 17, 2024

Kelley Ann Kerrigan DiPippo, age 52, entered into rest on Wednesday, January 17, 2024. She was the daughter of the late William J. Kerrigan and Carol Kerrigan born in Scranton, PA on June 8, 1971. She was a long time resident of West Hartford, CT where she lived most of her life. Kelley worked as an educator and day care provider as she thrived sharing her warm and caring spirit with children in several settings. As a natural caregiver, her beautiful and inviting smile and caring heart touched everyone she crossed in life. Recently, she was named paraeducator of the year at the Annie Fisher School. Kelley had a passion for people, cooking, her dogs, all word games, vacations at the beach, basketball, Providence College and truly loved spending time with her large extended family. However, her true pride and light were her three amazing daughters who she loved unconditionally and endlessly.

Kelley was predeceased by her father William and is survived by her mother Carol Kerrigan, her sisters Colleen (Jeff) Ryan and Shannon Kerrigan, her ex-husband Drew DiPippo and her daughters, Kerrigan Frances, Ella Caroline and Teagan Lydia DiPippo. Also, she had very close relationships with her nine nieces and nephews, Alison, Haley, Delaney, Jeffrey, Daniel, Jake, Jefferson, Jack and Brendan who all had a special place in her heart. She was loved dearly by her O'Boyle and Boland cousins, her Uncle Jim, Tommy and Aunt Nancy.

The family has appreciated the many well wishes by friends near and far and

have planned a private celebration of Kelley's life. If you wish, contributions can be made in Kelley's name to St Jude Children's Research Hospital at [stjude.org/donate](http://stjude.org/donate)

“ I am so very saddened to hear of Kelly’s passing. I worked with her for two school years at Annie Fisher STEM Magnet School. Kelly was an outstanding paraprofessional. She was kind, empathetic and patient with her students. Her disposition of calmness and understanding was a perfect trait to make her students feel safe and cared for. She will be missed.

“ *To all of Kelly’s family -  
I am so sorry to hear of this. I went to high school with Kelly and did  
not really get to know her until our last year when we took the ACTS  
class together. We went to Puerto Rico and I really got to know her  
better there. She was sweet and supportive and very smart.  
I saw her at our 30th reunion and she was still as sweet and sunny.  
I will pray her soul is at peace and you all find strength within each  
other.
