“ I miss Kim Valli very much. He was my favorite assistant who helped me with some household duties at my house where I used to live. He was good staff.

“ He will be missed by many friends. He taught me many things about being a good leader and a good character. He was a great supporter to many of us. He was a fun person to be with by many. He was unique as there was no others could act like him. My heart is aching right now. Send my deepest sympathy to the entire Bailey/Valli families.
