“ *Procrastination strikes again. I've been intending to contact Gene since his mother died a number of years ago. Now it is too late. I just found out today that he had died. I found out from Ken Zylstra this morning at church, where Gene attended when he lived at Rehoboth. When we played our pickup football games, I always chose Gene and Delbert James to be on my team. I was big and they were smaller and I would run interference for them to make our touchdowns, or pass to them because they could both catch well. Gene's dad is probably the biggest reason I became a physician, along with the book, "River Rising". I'm sorry I never contacted the family before. I will share his obituary with his friends and classmates here. I will write to Bernie Ebbers also. Blessings, Phil Kamps*

“ All four of us boys would be sitting in front of the annual Christmas trees at Rehobeth. But now, there are only three of us.

*Eugene and I learned to play the clarinet. When I was in high school, I felt a bond with Eugene when I found myself practicing the same music that I heard him practicing a few years before.*

*I hope he can remember these things too.*

“ Lonni, we are deeply saddened at Gene's passing and offer you our thoughts and prayers in your time of grief. I will always remember Gene to be a fun-loving kind of guy and had missed you and him at the 25 year outing these past couple of years. Gene was great to work with at The Hartford and was always a very helpful and giving person. We will miss him greatly.
