“ I was sorry to hear of your mother's death and want to express my deepest condolences in your loss. I live at 1250 apartment C20 and I always enjoyed talking with your mother and I think she may have had a bit to do with Florence's singing at my husband's funeral a year ago. Thank you both for the wonderful music you bring to the Church of St. Peter Claver. And once again, my deepest sympathy.##imported-begin##Theresa L. Poirier##imported-end##
