Tribute Wall

“ To my sweet 'second mother'....thank you for your love. You were a wonderful presence in our lives, most especially with our mother, who often referred to you as her best friend, her "sister". Your friendship with one another for 60 years was a profound gift to all of us. You and your family gave us great memories all these many years. We simply adored you. Shine on, Aunt Lilly, with that twinkle in your eyes and laughter. Though our hearts are aching, we know we will see each other again one day. God opened wide His arms to welcome you home. We wish your family much peace and love always.##imported-begin##Julia David##imported-end##

“ Where to begin? Not only was Aunt Lilly one of my favorite friends, she was my penpal for decades. We enjoyed a beautiful, loving lifelong friendship. She was one of the most intelligent people I have ever known. She was the best & closest friend to Mother for over 65 years. I love everything about her. I have had a picture of her on my nightstand for years & years & there it will remain for the rest of my life. I will miss her always but I know that she is happy now enjoying her new life. Dave, my thoughts are with you. Don't despair, you will see her again one day. We all will.
Much love to you & Eleanor & the family.
