“ In conversation, John once mentioned to me how Linda was interested in researching their family tree on Ancestry. I liked what he was saying and it sparked my interest on Ancestry. I copied Linda’s Glascock/Hunter findings to my tree, and we shared information. She will live on through her research and her love for family history. While visiting my in-laws in England, when John and Linda’s family were living and working in Cambridge, my family enjoyed our outings with them. Linda showed us around on foot and gave us a quick tour of Cambridge. We were wanting English Pub food but places around were too crowded & full; so Linda made sure we had a variety of dishes for dinner that night which included pub food, yum. Her kindness will be missed, love Shirley Glascock Robbins and Family.

“ This is the Krivensky Family and we will miss Linda Glascock. I have some great memories with Linda Glascock. We visited Linda and John in Washington D.C. , Cambridge England, and Cincinnati, OH. Linda was the best hostess and sister in law. i will remember that great Thanksgiving meal that you and John and family hosted for us when the Glascocks lived in Cincinnati, OH. I have great memories of my visit to Cambridge, England. We went on a gondola ride, had a picnic in the park, and saw a Shakespeare play and Linda made sure I had my fish and chips.
