Linda wanted to give her special thanks to all the Doctors and Nurses at Yale New Haven Hospital, Oncology Unit and the staff at Middlesex Hospital, Hospice Unit for all the compassionate loving care and kindness she received during her long illness. She will be greatly missed by all that knew her. Per Linda's wishes, there will be no services. Molloy Funeral Home, West Hartford has care of arrangements. “ Dear Morin family,  
I was saddened to read of Linda's passing and having cancer. I have not seen her in over 15 years, but we were close friends when attending Timothy Edwards as young teenagers. We spent many weekends at each others houses. At least one of the mornings we would make french toast dripping in butter!  
As time passes, I hope the family can look back on all the happy times and realize how many lives Linda touched.  
Sincerely,

“ Dear Christopher, family and friends

Our deepest sympathy on your loss of your mom. We were your friends/neighbors for several years when you lived on Oak Forest Dr. We watched you grow up and I remember when you got your dog, Lucky and how you and your mom named him. I Gwen lost my dear sister-in-law last year the same way your mom has passed, but your mom is with our angels now, and she is your eternal angel and her love is also eternal. In sympathy, Gwen and Cliff
