“ Dear Pat, I am sad to hear the news. You two ladies brought much love and joy into our therapy world. Whenever you walked into our clinic, you cared for everyone you met--including each other!! You are both some of the courageous women I know! You really know how to live life and give life to those around you!! May you feel God's loving arms surround you in this time of grieving. I know you are loved by many. Can't wait to party with Linda in Heaven someday! I KNOW she is having a blast up there!! love and big hugs to you! Ruth Satterberg
