“ I was saddened to hear of Lou's passing. I graduated Hall High with Lou and we shared many classes together. The one of many memories i have of Lou is when we were in study hall he would doodle sketching Mickey Mouse's head and due to him whenever I doodle i do the same and think of him often. I believe he attended our 50th year and prior to that or since i have not seen him. He was a nice and gentle and even funny classmate. My sincere sympathy goes out to all of you.
