“ *To all the Urban Children,
I can't begin to tell you how I loved your mother. I did your mom's hair for 49 years and over the many years we grew close. She was someone I adored. I am so deeply sorry for your loss. She was a wonderful woman. We shared many memories and she loved all her children, I feel I know everyone of you. I will miss her greatly. She was my childhood friend and mentor. My prayers and thoughts are with all of you. I only have one regret I didn't get to see her before her passing. I will always remember her.*

Michael thank you so much for letting me know. Maggie thank you for bringing her to have her hair done. Another Angel has entered God's gates.

Many prayers to all of you.
