“ *Lucy was a very special lady and I enjoyed the short friendship that we had. I helped her with her husband's funeral and always looked forward to her visits to the rectory when she would stop by to bring me her offertory envelopes. We always had a pleasant chat and she would often write notes on her envelopes when she sent them to me by mail. Please know that my prayers are with you during this difficult time. I feel certain that she is at peace with her beloved "Red". Sincerely, Linda Wowak, Adm. Asst., St. Peter Claver Parish##imported-begin##Linda Wowak##imported-end##*
