

Luke Matthew Roux

October 15, 2004 - June 25, 2022

Luke Matthew Roux, son of Stephen and Carri Roux, passed away on June 25, 2022, at 17 years young. He completed the Roux family on October 15, 2004, joining his older brothers Nathan and Edison. His entire life was spent in his hometown of Farmington, Connecticut and was full of family and friendships. However, on his way home, following a route that he had taken many times, his car was struck by another vehicle at an intersection just two miles from home. Luke's life ended in an instant and cast a shadow across so many hearts.

Throughout Luke's life he was dedicated to his Faith, family, and friends and teammates. He represented all the best facets of Christianity living a simple life rooted in love and kindness for those around him. Luke was a true example to others. He was a young man of few words however, when words were needed, they were authentic and always kind. Luke had dedication and determination in athletics including, ice hockey, baseball, tennis, swimming, and his most recent passion of disc golf. In his down time, Luke was a gamer and participated in competitive e-sports events. Luke was also passionate about music with an eclectic taste favoring progressive rock. He was a gifted drummer and also played the violin, keyboards, and guitar. Luke was an accomplished scholar with math by far being his biggest strength. He recently graduated High School with first honors. Luke was to begin his journey to college in the fall as a freshman, at the University of Connecticut, Storrs,

where he would have joined his two brothers, and was wildly optimistic about what came next.

The Farmington Police Department, Farmington High School staff, the entire community, and its surrounding towns have demonstrated incredible support to the Roux family, as well as all of those impacted by the loss of Luke. “ We are so sorry to hear about the loss of Luke. It seems like he was a real nice person. The new combined Catholic Parish in Southington is named St. Luke. It will be a special way to remember Luke.

“ I am so very sorry for the loss of this incredible young man. My brother and his son are part of the close knit hockey community of which Luke was a part and deeply mourn his loss. Though I did not have the pleasure of knowing Luke, his obituary beautifully conveys what a kind, talented, and bright young man Luke was. May he continue to do all the things that he loves, in Heaven. God Bless your Angel.

“ I remember shaking his hand when we all met together at grandma, Sondra’s home, not too long ago. Luke was so cheerful and graceful.

Life is so precious, yet we take it so much for granted. The fact that Luke was such a very young man makes it even sadder and difficult to accept.

May Luke Rest In Peace. And may God give the family comfort to grieve and live on in peace and harmony.

Mr. & Mrs. Roux

It is at times like this that I wish I had the skill of a poet in order that I might adequately express what is in our hearts. I would tell you of the deep sense of loss and emptiness that there is with the news of Luke's death. Luke, we learned, was a fine student who was respected by his fellow students, players and coaches.

He shall be deeply missed, and our hearts go out to you in this most difficult of times.

Please call upon us, as it will be our honor to help you in any way, we are able.

*With Deepest Sympathies
