“ *I was so sorry to hear of Margie's passing. What a shock. I know Margie from exercise class at TCS. We were often next to each other. She was truly an inspiration--she told me her goal was to not be sent to the Tues. AM class with the "older ladies". She always had a smile and kept up with everyone. I'll remember her everytime I'm tempted to skip exercising.*

*Sincerely,*

“ *Dear Christie Family,*

*We were saddened to read of Margaret's passing in the Brattleboro, VT newspaper. The Christies and Hamiltons came together in the late 1920s through Ralph and Isabelle Christie and Ray and Madge Hamilton. The bond has been strong throughout the generations.*

*We send our sincere condolences to all of you.##imported-begin##Richard H. Hamilton Family##imported-end##*

“ Dear Family: I was away over the weekend and am so sad that I was unable to attend the memorial service for Margie which I have heard was attended by many, many people, there to honor her and share memories of her remarkable life. I knew her for over 30 years as a member of the League of Women Voters. She was smart, thoughtful, hardworking, reliable and, always, modest about her contributions to everything she undertook. There is a void that no one else will be able to fill the way she did. My sincere sympathy to you on the loss of a wonderful wife, mother, sister and friend.##imported-begin##Jean Blair##imported-end##

“ Dear Doug, Dear Anne and Jean and Jim, Dear Tano and Otto and Craig,

*I've just returned from a walk with Matt, Steph and their two dogs in the Asheville, NC woods. As I walked, I held thoughts of you all gathered together in Hartford to support each other in Margie's so-abrupt, so unanticipated death. I thought back to so many shared walks in Green River, in Halifax, in Newbury, and even in Poughkeepsie. I felt Margie's presence with me.*

*I recited this Buddhist Loving Kindness meditation for each of us as I walked;*

*Margie,  
May you be at peace;  
May your heart be open;  
May you know the light and joy of your own true nature;  
May you be healed, and  
May you be a source of healing for others.*

*love,
